Smokers' Station

Unique Features & Benefits:

Factory Mutual Approved fire-safe, self-extinguishing

Heavy duty fire-safe steel construction

Oxygen-restricting fluted design smothers smoldering butts.

Weather-resistant capped tube features two 1¼" diameter disposal openings which deter other types of waste.

Removable top is secured to base by a concealed chain to prevent theft and vandalism.

Two easily operated clasps attach top to base.

4¼ gallon fire-safe galvanized steel liner with handle removes for discarding butts.

Four nylon glides prevent damage to surfaces and base and allow air flow.

Durable UV stabilized powder coated finish endures severe weather and prevents unsightly cigarette burn damage.

Optional Anchor Kit is available.
